* Degree Options: Students will enroll in one of the following degree options, as determined by their previous technical training, related industry-recognized credentials, and future career goals.

- Business & Digital Technologies
- Health & Human Services
- Industrial Technologies
- Transportation Technologies

♦ Students in the Applied Technology program will work with an advisor to develop an individualized plan of study that fulfills each student's unique career goals. This individualized study plan combines general education coursework with specific technical knowledge and skills in preparation for employment, career advancement, or entry into OSUIT's Bachelor of Technology in Applied Technical Leadership program.

PLA = Prior Learning Assessment (PLA) available. The amount of prior learning credit awarded toward the AAS in Applied Technology will vary by individual and based upon presentation and institutional review of a student portfolio of approved licenses, certifications, and other industry-recognized credentials. Student may earn a maximum of 75% of degree requirements (45 credit hours) through a combination of PLA and transfer credit.
