

OSUIT FOUNDATION SCHOLARSHIPS

American Gas Association Scholarship	Are enrolled as a full-time student in good standing in the University; Have successfully completed two semesters of study in the University's Pipeline Integrity Technology program; Have not been a recipient of a scholarship from the Fund in prior semester(s); Have a cumulative GPA of 2.8 or higher in the semester prior to each distribution in accordance with the standards set by the University.
Association of Oklahoma General Contractors Scholarship	The recipient must be enrolled as a student at Oklahoma State University Institute of Technology, in the Construction Technology program. The recipient must have an expressed interest in highway and bridge construction.
Bill Leib Culinary Scholarship	The recipient must be enrolled as a full-time student at OSUIT in the School of Culinary Arts Program and must have a grade point average of at least 2.5 on a 4.0 scale. Selection preference will be given to students who volunteer at Culinary Art events.
Bob Klabenes Endowed Scholarship Fund*	The recipient must be enrolled as a full-time undergraduate student at OSUIT-Okmulgee working toward an Associate Degree in Applied Science or a Bachelor of Technology Degree and must have documented financial need. The recipient must have completed a minimum of twelve (12) semester credit hours at OSU IT with a grade point average of at least 2.4 on a 4.0 scale, computed solely on courses completed at OSUIT-Okmulgee. The award is renewable as long as the recipient continues to meet the criteria set forth herein. Selection preference shall be given to students enrolled in the Registered Nurse Program.
Brandon Thrash & Valerie Carter Fine Dining Scholarship*	The recipient must be enrolled as a full time student at OSUIT-Okmulgee and must have completed a minimum of two semesters in the Culinary Arts program. The recipient must have a minimum grade point average of 3.0 on a 4.0 scale and must submit an original recipe that has never been selected as a winning entry in any competitive contest, to the selection committee. Selection preference will be given to students who are residents of the State of Oklahoma and who are currently employed or interning in a fine dining establishment.
Bruce Mercer Memorial Scholarship	The recipient must be enrolled as either a part-time or full-time student at OSUIT in the Division of Arts and Sciences. The recipient may be a high school student participating in concurrent courses at OSUIT or selected from the current OSUIT student body. The recipient must be in good academic standing and making sufficient progress toward completion of his/her program of study. Selection preference shall be given to first generation college students. The number of awards and size of the award shall be determined by the selection committee.
Captain Robert Stotts Scholarship Endowment*	Preference will be given to prospective or continuing students in the Culinary Arts program.
Cecil Oakley Memorial Endowment Fund*	Preference will be given to students currently enrolled in the Automotive Technology program. Recipients must be from Alfalfa or Washington County (Oklahoma). Both prospective and continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.5 or better. Must have financial aid need as determined by a successfully completed FAFSA.

Chesapeake Energy OSU-OKM Natural Gas Compression Scholars	The recipients must be enrolled as a full-time student at Oklahoma State University Okmulgee in the Natural Gas Compression Program. Scholarships may also be awarded to first year students enrolled as full-time students at Oklahoma State University Okmulgee in the Natural Gas Compression Program. Minimum high school unweighted GPA of 2.5 for graduating high school seniors. Minimum unweighted GPA of 2.5 for first year students enrolled as full-time students at Oklahoma State University Okmulgee in the Natural Gas Compression Program. Pursue a full-time schedule (minimum of 12 hours/semester) of courses toward a degree in natural gas compression each semester at Oklahoma State University Okmulgee. Maintain a minimum 3.00 cumulative GPA each academic year in coursework toward degree.
Chevron Instrumentation Technology Scholarship	Must be enrolled in the Electrical/Electronics program or BT in Instrumentation. Prospective and continuing students with a minimum GPA of 2.5 are eligible to apply. Must have financial need (as determined by a successfully completed FAFSA).
Chevron Natural Gas Compression Scholarship	Prospective and continuing recipients must have a minimum grade point average of at least 2.5 to be eligible to apply. Financial need as demonstrated by FAFSA is not a requirement.
Clinton L. and Betty J. Smith Endowed Scholarship*	
Conoco Phillips Scholarship	Must be currently enrolled in the Air Conditioning and Refrigeration program. Continuing students with a minimum GPA of 2.5 are eligible to apply. Must have financial need (as determined by a successfully completed FAFSA).
Dale Oliphant Memorial Scholarship	Must be enrolled in the GM Automotive Service program. Must have attended the Kiamichi Technology Center Stigler campus (or other Kiamichi Tech satellite campuses if no qualified applicants from the Stigler campus apply.) Continuing or prospective students with a cumulative GPA of 2.5 or better. Must have financial need (as determined by a successfully completed FAFSA).
David Allen Minson Scholarship Fund	The recipient must be enrolled as a full-time student at OSU IT in the Engineering Technology program. The recipient must have a minimum cumulative institutional GPA of 2.50 or higher for continuing students, and a minimum 2.50 cumulative CPA for high school and/or transfer students. Recipient should have documented financial need and must reapply for award consideration.
Dennis Paine Scholarship	Prospective or continuing students with a minimum GPA of 2.5 are eligible to apply.
Don Porter Construction Management Endowed Scholarship*	The recipient must be enrolled as a full-time student at OSU-Okmulgee, with documented financial need. The recipient must have completed one half of their degree program and a minimum of sixty (60) hours in either the Construction Management program or the Civil Engineering program. Recipients must have a grade point average of at least 2.0 on a 4.0 scale, with evidence of satisfactory academic progress. Selection preference shall be given to students who are graduates of Oklahoma high schools.
Don Porter Scholarship Fund	The recipient must be enrolled as a full-time student at OSU-Okmulgee. Recipients must have completed a minimum of sixty (60) hours of coursework and at least one half of their degree program prior to applying for the award. Recipients must have a grade point average of at least 2.0 on a 4.0 scale, with documented financial need.
Edward E. and Helen T. Bartlett OSUIT Scholarship	
Engineering Technologies Scholarship@	Recipients must be enrolled in Engineering Technology program. Prospective students are eligible to apply. Recipients must have a High School Cumulative GPA of 2.5 or better. Must have financial need as determined by a successfully completed FAFSA.
Foley Equipment Scholarship Fund	The Fund shall be used to provide scholarships to students in the HEVI Department. The recipient must be enrolled as a full-time student at OSU IT in the CAT Dealer Prep Program. The recipient must have a minimum cumulative institutional GPA of 2.50 or higher for continuing students, and a minimum 2.50 cumulative GPA for high school and/or transfer students. Recipient should have documented financial need and must reapply for award consideration.

Frank W. "Pat" Murphy Endowed Scholarship*	The recipient must be enrolled as a full-time student at OSUIT-Okmulgee. The recipient must have a high school grade point average of at least 3.0 on a 4.0 scale if he/she is an entering freshman student and a grade point average of at least 3.0 on a 4.0 scale if he/she is a continuing student. The recipient must have documented financial need and must be enrolled in either Engineering Technologies or the HEVI Division. Recipients will continue to receive the scholarship until completion of their course of study with maintenance of the selection criteria.
Fred Jones Ford Scholarship Fund	The recipient must be enrolled as a full-time student at OSU IT in the Automotive Service Technology program. The recipient must have completed a minimum of 12 semester credit hours and have a minimum cumulative institutional GPA of 3.0 or above. Recipient should have documented financial need and must reapply for award consideration.
Gas Compressors Association Scholarship	Continuing students must have earned a minimum of 12 semester credit hours and no greater than 42 credit hours in the program and must have a cumulative institutional grade point average of at least 2.75 to be eligible to apply. Financial need as demonstrated by the FAFSA is not a requirement.
Gas Processors Association Scholarship	Continuing students must have earned a minimum of 42 credit hours in the Natural Gas Compression program and must have a cumulative institutional grade point average of at least 2.75 to be eligible to apply. Financial need as demonstrated by the FAFSA is not a requirement.
Georgia-Pacific Engineering Tech Scholarship	Must be enrolled in the Electrical/Electronics or Instrumentation Technology seeking an Associate of Applied Science or Bachelor of Technology degree. First-time college students with a high school diploma must have a cumulative 2.2 GPA. GED or homeschooled students must have a composite ACT of 21 or above. College transfer students must have a cumulative GPA of 2.5 or above. International students are also eligible to apply. Financial need (as determined by a successfully completed FAFSA) is NOT a requirement.
GPSA/Bartlett Family Scholarship at OSU-IT*	The recipient must be enrolled as a full-time undergraduate student at OSU-IT, with documented financial need. The recipient must be enrolled in the Natural Gas Compression Program in the HEVI Department and must have a grade point average of at least 2.5 on a 4.0 scale.
Grady W & Joan K Clack Scholarship*	The recipient must be enrolled as a full-time student at Oklahoma State University-Okmulgee.
Gulf States Toyota Scholarship	Currently enrolled full time in the Toyota Automotive Service program. Applicant must be a U.S. citizen residing in Texas, Oklahoma, Arkansas, Mississippi or Louisiana. High school graduate, home schooled or GED with a cumulative CPA of 2.50 or better. Must possess a valid driver's license and have an employable driving record. Must be willing to take a drug test, if requested by sponsor dealer. Must have financial need (as determined by a successfully completed FAFSA).
H.K. and Tonnie Greer Scholarship Endowment Fund*	The recipient must be enrolled as a first-year student at Oklahoma State University-Okmulgee. The scholarship may be renewed provided the recipient maintains satisfactory academic progress. First preference shall be given to graduates of Morris High School; second preference shall be given to graduates of Beggs High School; and third preference shall be given to graduates of any high school in Okmulgee County.
Halliburton Student Scholarship Fund	Preference will be given to students currently enrolled in the Engineering Technology program. Both prospective and continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.5 or better.
Henry & Katy Martin Endowed Scholarship*	Open to all students enrolled at Oklahoma State University Institute of Technology. Both prospective and continuing students are eligible to apply.
HETD General Scholarship	Pursuing an AAS degree in Orthotic & Prosthetic Technician Program. Must be enrolled in at least one HETD class each semester in which the scholarship is received. Prospective or continuing student with a cumulative GPA of 2.0 or higher. Must have financial need (as determined by a successfully completed FAFSA).
HEVi Endowed Scholarship Fund*	Preference will be given to students currently enrolled in the HEVi Technology program s. Both prospective and continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.5 or better.

International Society of Automation Scholarship	Recipients must be currently enrolled in the Electrical/Electronics Program and have completed a minimum of 75 credit hours in the Electrical/Electronics program. Must have financial aid need as determined by a successfully completed FAFSA. Cumulative 3.0 GPA or better is required.
J.C. Crawford Memorial Scholarship*	The primary intent of the Settlor is that funds accumulated in the trust fund from the investment earnings of the trust account be utilized to assist needy, worthy students to defray their actual school expenses, i.e., tuition, books, laboratory fees, and so forth; but no grants for the purpose of living expenses or housing costs, and also provided that the grantee shall be a full-time student enrolled in not less than 12 semester credit hours or its equivalent leading toward graduation from the particular area in which they may be working.
J.D. Roberts Scholarship Fund*	Recipient(s) must be a graduate of an Okmulgee County High School. Both prospective and continuing students are eligible to apply.
James H. Eaton Memorial Scholarship*	Recipient(s) must be a first-year student at Oklahoma State University Institute of Technology and a graduate from an Okmulgee County High School. Must have financial aid need as determined by a successfully completed FAFSA.
Jason Newberry Memorial Scholarship*	The recipient must be enrolled as a student at OSUIT-Okmulgee in the Natural Gas Compression program. Continuing students must have earned a minimum of twelve semester credit hours and a cumulative institutional grade point average of at least 2.75 on a 4.0 scale to be eligible to apply for the award. Financial need as demonstrated by the FAFSA is not a requirement. The scholarship shall be renewable with maintenance of the selection criteria.
Jerry D. Barker Endowed Scholarship*	Preference will be given to students currently enrolled in the Air Conditioning & Refrigeration Technology program. Both prospective and continuing students are eligible to apply. Cumulative 2.5 GPA or better is required.
Joe Thomas Worley Memorial Endowed Scholarship*	The recipient must be enrolled as a full-time student at OSUIT-Okmulgee. The recipient must have a grade point average of at least 2.5 on a 4.0 scale if he/she is an entering freshman student or a grade point average of at least 3.0 if a continuing student. Recipients will continue to receive the scholarship with maintenance of the selection criteria. These minimum requirements may be waived if, at the discretion of the selection committee, the recipient has shown a marked improvement from the prior semester. Selection preference will be given to students in the Engineering Graphics and Design/Drafting program and/or students with documented financial need.
Joseph A. Bradley, Sr. Memorial Fund*	Open to all students enrolled at Oklahoma State University Institute of Technology. Both prospective and continuing students are eligible to apply.
Julia Latham Nursing Scholarship	Recipients must be enrolled as a full-time student at Oklahoma State University Institute of Technology-Okmulgee. The recipient must have a high school grade point average of at least 3.0 on a 4.0 scale and may receive the scholarship for two years of undergraduate study, provided he/she remains a full time student and has a minimum grade point average of at least 3.0 on a 4.0 scale. Selection preference shall be given to students who are nursing students in the Allied Health Sciences Division.

The recipient(s) must also be completing a degree in Visual Communications Graphic Design and be approved for graduation. Cumulative 2.5 GPA or better is required. Applicants must submit a Graphic Design graduate portfolio to Visual Communications faculty by the published due date.
Michael F. Bey Endowed Scholarship*	The recipient must be enrolled as a student at OSUIT in the Automotive Services Pro-Tech program. The recipient must be an Oklahoma resident, have documented financial need and a minimum cumulative post-secondary grade point average of at least 3.0 on a 4.0 scale or a high school grade point average of at least 2.5 on a 4.0 scale. The recipient must be in good academic standing and making sufficient progress toward completion of his/her program of study and will continue to receive the scholarship with maintenance of the selection criteria and a positive recommendation from the Division Chair of the Automotive Services Technologies Pro Tech program.
Michelin Engineering Technologies Scholarship	Recipients must be enrolled as students at Oklahoma State University Institute of Technology-Okmulgee in the Engineering Technologies Division, in either the AAS in Electrical/Electronic or BT in Instrumentation Technology degree programs. Recipients must have their permanent residence located in Carter, Love, Jefferson, Johnson, Marshall or Murray Counties in Oklahoma. Eligible students must meet one of the following criteria: a first-time college student must have graduated from high school and have a cumulative high school grade point average of at least 2.2 on a 4.0 scale; a student who has been home schooled, must have a GED and an ACT composite score of at least 21. If the student is a college transfer student, he/she must have a cumulative grade point average of at least 2.5. Financial need as demonstrated by FAFSA is not a requirement.
Mike Taylor Scholarship	Recipients must be enrolled as a full-time student at Oklahoma State University Institute of Technology-Okmulgee. Recipients of both awards must have successfully completed three semesters in the specified area of study, must have a grade point average of at least 2.5 on a 4.0 scale and must have documented financial need.
Nissan Scholarship Fund	Recipients must be currently enrolled in the Automotive Service Technology Nissan or Pro Tech program. Continuing students with a minimum of 12 semester credit hours are eligible to apply. Must have financial aid need as determined by a successfully completed FAFSA. Cumulative 3.0 GPA or better is required.

OGE Energy Scholarship Fund - OSUIT	Recipients who are first year college students must have a high school grade point average of at least 2.5 on a 4.0 scale and continuing students a cumulative GPA of 2.75. Scholarships in an amount (up to \$5,000) determined annually by the Selection Committee will be awarded each year based upon available funds. Recipients must maintain a cumulative grade point average of at least 2.75 or above for the first half of the program and a cumulative grade point average of 3.1 for the second half of the program to be considered for renewal of the award.
OMPA OSUIT Power Plant Technology Scholarship	
ONEOK Engineering Technologies Scholarship	Recipients must be enrolled as students at Oklahoma State University Institute of Technology-Okmulgee in the Engineering Technologies Division, in either the AAS in Electrical/Electronic or BT in Instrumentation Technology degree programs. Eligible students must meet one of the following criteria: a first-time college student must have graduated from high school and have a cumulative high school grade point average of at least 2.2 on a 4.0 scale; a student who has been home schooled, must have a GED and an ACT composite score of at least 21. If the student is a college transfer student, he/she must have a cumulative grade point average of at least 2.5. Financial need as demonstrated by FAFSA is not a requirement.
ONEOK Natural Gas Compression Scholarship	
OSUIT Family Fund Scholarship*	The recipient(s) must be enrolled as a regular degree-seeking student at OSUIT and must be a current or retired OSUIT employee, his/her spouse, child or grandchild. If the recipient is enrolled in at least twelve hours at OSUIT, he/she will received the maximum award amount; if the recipient is enrolled in less than twelve hours, the award will be prorated according to a sliding scale. The recipient must re-apply each semester for scholarship consideration and must maintain a grade point average of at least 2.0 on a 4.0 scale to be considered for subsequent semesters. The award may be renewed at the discretion of the Selection Committee.
OSUIT Information Technologies Scholarship	The recipient must be enrolled as a full-time student at OSUIT. Recipients must be formally admitted to the Bachelor of Technology in Information Technologies program. The award will be based upon academic performance; however, financial need may be taken into consideration during the selection process. Two awards of equal value will be awarded annually. The award may be renewed in the discretion of the Selection Committee.
OSUIT Lew Wentz Scholarship	
OSUIT Okmulgee ACR Scholarship	The recipient must be enrolled as a student at OSUIT in the Air Conditioning and Refrigeration program and must have documented financial need. The recipient must have successfully completed coursework in either ACR 1126 or ACR 1206 with a grade point average of at least 2.0 on a 4.0 scale. Continuing students must have a cumulative grade point average of at least 2.5 on a 4.0 scale.
OSUIT Scholarship Fund	The Fund shall be used to provide scholarships to students enrolled at OSUIT who are making satisfactory academic progress in their current program of study.
OSUIT Visual Communications Student Scholarship	The recipient must be enrolled as a full-time student at OSUIT with documented financial need. The recipient must have a grade point average of at least 2.5 on a 4.0 scale and must be a second year VisComm student. The scholarship may be renewed with maintenance of selection criteria.
OSUIT-Okmulgee Alumni Scholarship Fund	Preference will be given to students whose parents and/or grandparents are alumni of OSUIT-Okmulgee. Both prospective and continuing students are eligible to apply and must be enrolled in at least 12 credit hours. Cumulative 3.0 GPA or better is required.
OSU-Okmulgee Noble Foundation Scholarship*	The donor reserves the right to define the areas of study in which the scholarship funds are used. Scholarship recipients must agree to add to the scholarship fund after completion of their course of study in accordance with guidelines established by the committee at the time the scholarship is granted.
Pat Hannigan Scholarship*	Open to all students enrolled at Oklahoma State University Institute of Technology. Both prospective and continuing students are eligible to apply.

Paul B. and Carol L. Millett Endowed Scholarship*	The recipient must be enrolled as either a full or part-time student at OSUIT-Okmulgee in the Engineering Technologies Program and must have a grade point average of at least 3.0 on a 4.0 scale.
Paul Caplinger Endowed Scholarship Fund*	The recipient must be enrolled as a full-time student studying Culinary Arts at Oklahoma State University Institute for Technology, Okmulgee, Oklahoma.
Paul England Scholarship Endowment*	Open to all students enrolled at Oklahoma State University Institute of Technology. Both prospective and continuing students are eligible to apply
Phillips 66 Scholars	The recipient must be enrolled as a student at OSUIT and classified as a second-year student. The recipient must have a minimum grade point average of at least 2.5 on a 4.0 scale. Four awards will be made to students with a study focus of Pipeline Integrity; Two awards will be made to students with a study focus of Information Technology (SCADA); One Award will be made to a student with a study focus in Instrumentation. Students who receive awards will be known as Phillips 66 Scholars and will meet with representatives of Phillips 66 at the annual scholarship banquet. Recipients will also receive an interview with Phillips 66 upon graduation from his/her program.
Pipeliners Club Scholarship	Recipients must be currently enrolled in the Electrical/Electronics Program. Prospective first time college students with a Cumulative High School GPA of 2.5 or better is required. Must have financial need as determined by a successfully completed FAFSA.
Poppenhouse Portfolio in Photography End Scholarship Fund*	The recipient must be an Oklahoma State University Okmulgee Outstanding Photography Graduate.
Pow Wow Endowed Scholarship Fund*	Preference will be given to students pursuing an AAS degree in Orthotic & Prosthetic Technician Program. Must be enrolled in at least one Orthotic & Prosthetic class each semester (fall/spring) in which the scholarship is awarded. Recipients must have a Cumulative GPA of 2.0 or better. Must have financial need (as determined by a successfully completed FAFSA).
Power Plant Technology	Preference will be given to students currently enrolled in the Engineering Technology-Power Plant program. Both prospective and continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.5 or better. Must have financial aid need as determined by a successfully completed FAFSA.
Robert Kamm Scholarship	Currently enrolled in Automotive Service Technology. Continuing student having earned a minimum of 12 semester credit hours with a cumulative institutional GPA of 3.0 or above. Must have financial need (as determined by a successfully completed FAFSA).
Ronald Joe Henricksen Scholarship	Recipients must be enrolled as students at Oklahoma State University Institute of Technology-Okmulgee. First selection preference shall be given to students enrolled in the Automotive Technologies Division degree programs. Second selection preference shall be given to students who graduate from a high school in Canadian County, Oklahoma.
Sam Viersen Scholarship	
Senator Tom and Maxine Payne Memorial Endowed Scholarship*	The recipient must be enrolled as a full-time student at OSUIT-Okmulgee. Selection preference will be given to students who are veterans of the armed services or who are studying Automotive Technologies.
Senator Tom Payne Memorial End. Sch. Honoring Edgar Vassaur*	The recipient must be enrolled as a full-time student at OSUIT-Okmulgee. Selection preference will be given to students who are veterans of the armed services or who are studying Automotive Technologies.
The Gladys S. and Frank D. Bittner Foundation Scholarship Fund	Recipients of the scholarship must meet the following requirements, in no particular order of priority: be enrolled as full-time students at OSU-IT (formerly OSU-Okmulgee
Thomas H. Payne Endowed Scholarship*	The recipient must be enrolled as a student in good standing at OSUIT and must have a grade point average of at least 2.5 on a 4.0 scale. The scholarship shall be renewable with maintenance of the selection criteria. Preference will be given to students who are veterans of the armed forces of the United States.
Tony Garcia Jr. Memorial Scholarship	The recipient must be enrolled as either a part-time or full-time student at OSU IT and must have a grade point average of at least 2.0 on a 4.0 scale. In order to increase minority diversity among students at OSU IT, first selection preference shall be given to students of Hispanic origin. Recipients must reapply for award consideration each year.

Walter and Marion Coyle Endowment@	Prospective or continuing students with a minimum GPA of 2.5 are eligible to apply.
Wanda S. Payne Endowed Scholarship*	The recipient must be enrolled as a student in good standing in the Health Science Program at OSUIT and must have a grade point average of at least 2.5 on a 4.0 scale. The scholarship shall be renewable with maintenance of the selection criteria. Preference will be given to students based on financial need.
Willis Worley Jr. Memorial Sch. / Curby & Aline Brown@	The Fund will be used to provide scholarships for students enrolled at OSUIT Okmulgee.

The OSUIT Foundation administers a number of scholarships that are funded and awarded by individuals, agencies and organizations. Donors set scholarship requirements and the OSUIT Scholarship Committee/Foundation Board selects the recipients. Scholarships are based on availability of funds. Scholarship recipient must be enrolled as a full-time student degree seeking student.

- An eligible applicant may not be awarded more than one OSUIT Foundation Scholarship per academic year.
- If the recipient withdraws from classes, any money resulting from a refund will be redirected to the OSU Foundation.
- Each Scholarship Recipient will be notified by letter

* **NOTE: Financial Need is determined by a completed FAFSA.**
