

FINANCIAL AID ACADEMIC PLAN

University and federal regulations require that a student make satisfactory academic progress (SAP) toward a degree to qualify for financial aid. The Financial Aid Appeals committee has determined that you cannot make satisfactory academic progress within one semester. To continue to be eligible for financial aid at OSUIT, you must agree to and follow this academic plan which you and your advisor have developed. Failure to do so will make you ineligible for financial aid at OSUIT.

Financial Aid will not be offered until this form is returned to the OSUIT Financial Aid Office with your current class schedule and Degree Works degree audit.
